### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Richard Irving on 12/7/2005.

The application has been amended as follows:

In claim 1, line 11, replace "first end point;" with "first end point, to cause automatic selection of the first record entry;"

In claim 1, line 33, replace "second end point;" with "second end point, to cause automatic selection of the third record entry;"

In claim 12, , line 8, replace "first end point;" with "first end point, to cause automatic selection of the first record entry;"

In claim 12, line 11, **delete "automatically selecting said first record entry"**

In claim 12, line 16, replace "second end point;" with "second end point, to cause automatic selection of the second record entry;"

In claim 12, line 17, **delete "automatically selecting said second record entry"**

In claim 18, line 12, replace "first end point;" with "first end point, to cause automatic selection of the first record entry;"

In claim 18, line 34, replace "second end point;" with "second end point, to cause automatic selection of the third record entry;"

Art Unit: 2178

2. The following is an examiner's statement of reasons for allowance: In the previous form, the claims read on methods of selection that did not require the horizontal stroke as claimed, but selected regardless of it. The current claims make clear that the selection is specifically tied to the horizontal stroke.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
